SURGEONS OF THE WORLD

## for the most vulnerable

HumaniTerra International is an NGO funded in 1998 in Marseille, South of France and specialized in humanitarian surgery.

Its action is centered around 3 axes:  
1 Training medical teams in the field  
2 Operate vulnerable populations  
3 Rehabilitating operating centers

## 4 training and surgical care programs

### MATERNAL HEALTH

Example : surgical care of women with obstetric fistula in Burkina Faso

### RECONSTRUCTIVE SURGERY

Creation of a center for burned people in Afghanistan

### GENERAL SURGERY

Surgical care of foot-ball victims in Bangladesh

### SURGICAL COOPERATION

Collaboration with public hospitals in Irbid and Amman, Jordan and surgical care for Syrian refugees

**I Join a global cause**

● Current missions  
● Past missions

**Join  
a useful cause**

In almost 20 years, HumaniTerra has made over 7 000 surgical procedures, thanks to the commitment of more than 800 healthcare professionals.

## Join a human cause

5 billion people do not have access to basic surgical care.

17 millions of people die every year from a lack of access to basic surgical procedure.

400 000 women die every year from a lack of surgical assistance during their pregnancy, that is to say 1 per minute.

## Join together

By becoming a partner of HumaniTerra, you give your brand the strong identity of a responsible and social company.

You increase your employees's sense of belonging to your company.

Our partnership will be highlighted on our website and social networks.

2 ways to join us:

The open donation on our website: [humani-terra.org/makeadonation](http://humani-terra.org/makeadonation)

The financial support to a specific program or a specific mission in the field
